Hello,

Thank you for your message. However, we remain concerned that your copyright notification is not valid for some or all of the videos identified in your notification. As a result, the content will remain live on YouTube.

Sincerely,  
The YouTube Team

Dear Youtube Copyright,

I want to take a moment to explain why I believe SidAlpha's use of my clip is not fair use, since I know you will want to hear that.

First, the timestamp where he uses my copyrighted clip can be found at 54:16.

He obtained this footage by stealing it. I have limited access to this clip only to those who pay my channel \$20 per month. However, SidAlpha has not paid that fee. Therefore, the only way he could possibly have gotten access to the footage is by illegally downloading it, e.g. off Torrent or some other app.

Therefore, his use of this clip is automatically not fair use, even if that same video could be considered fair use under otherwise identical circumstances. See *Harper & Row, Publishers, Inc. v. Nation Enterprises*, 471 US 539 (1985), where the Supreme Court found a lack of fair use primarily because "The trial court found that The Nation knowingly exploited a purloined manuscript." See *id* at 563.

Please remove this copyright infringement and issue a copyright strike against him.

Sincerely,  
David Stebbins
